Master in Management

The ideal launchpad
for your global career

The Business School
for the World®

The INSEAD MIM advantage

Highly ranked by the *Financial Times*, the INSEAD MIM aims to empower the next generation of well-rounded, agile-thinking, and innovative individuals who are ready to make a positive impact in today's society.

Top-ranked business school

As one of the world's leading and largest graduate business schools, INSEAD's master programmes are consistently ranked amongst the top by the *Financial Times*.

Access to top employers

Engage with a global network of top recruiters to launch your career in a broad range of roles and industries.

Alumni network

Join a global network of more than 71,000 influential alumni across 182 countries and 172 nationalities around the world.

International exposure

Immerse yourself in a truly global experience alongside international classmates and faculty, and travel across continents.

In-demand skills

Acquire relevant skills that will enable you to succeed in your first job and beyond.

Practical application

Participate in experiential block courses, electives that put to test classroom learning in real-life business situations and opportunities for professional exposure.

An exceptional future awaits

The INSEAD Master in Management (MIM) programme combines an innovative learning approach with a problem-solving orientation. The 14 to 16-month intense and diverse programme is designed to equip young graduates with a holistic set of skills to launch a successful career in any work environment.

The INSEAD experience

Join a broad and diverse community of learners to build lifelong memories through an intense, immersive and engaging learning journey.

Core courses

Follow 12 case-based core courses led by INSEAD's renowned faculty on a broad range of topics, covering all aspects that are relevant for a leader in today's business world.

Workshops

Acquire essential practical skills that are highly sought-after by global recruiters through a series of specialised blended workshops.

Practicals

Conclude each period with a fast-paced, highly experiential module that puts classroom learnings to the test on concrete issues. You will gain the practical experience you need to make a difference in the workplace from day one.

Career coaching and employer engagement

Receive the guidance of a dedicated career coach to help you work through your career journey. Engage actively with recruiters across sectors to build the first step of your career.

Group work

Engage with a diverse group of talented individuals who bring their unique perspectives to complement yours.

Community

Build lifelong connections through the support of a vibrant, innovative and inclusive community.

Student life

MIM students have a wide choice of community, cultural and sporting activities available on and off campus.

• More than 40 student clubs

• Social events and activities

• Cultural festivals:
A celebration of cultural diversity

• Four milestone events

• Student wellbeing

• Settling-in support:
Visas, health insurance, etc.

Every day, I meet people from all over the world, each with different backgrounds, perspectives, and experiences."

Curriculum is subject to change.

*Students need to complete one field trip in order to graduate. Subject to visa requirements.

Connecting the world's professionals

Our mission is to bring together people, cultures and ideas to develop responsible leaders who transform business and society.

Be part of a global network that embodies our **five founding values**:

Independence

Rigour & relevance

Diversity

Entrepreneurial spirit

Closeness to business

An ecosystem that nurtures success:

World-class faculty

- 159 world-leading experts from 40+ nationalities
- Scholars and practitioners who conduct research that pushes the frontiers of business knowledge
- Frequently named on the prestigious *Thinkers50* list

Strong alliances & partnerships

- CEIBS
- INSEAD-Wharton Alliance
- Kellogg
- Sorbonne University
- Tsinghua University
- Yale's Global Network for Advanced Management

Enriching student life

- Launch week/cultural festivals
- Over 40 student clubs
- Student-led conferences
- INSEAD partners community

Centres & initiatives

INSEAD conducts research and provides insights that shape management practice in 19 centres and initiatives, including:

- The Hoffmann Institute
- The Rudolf and Valeria Maag INSEAD Centre for Entrepreneurship
- The Gender Initiative
- The Blue Ocean Strategy Institute

INSEAD launchpad

An accelerator initiative for alumni start-ups to:

- Receive advice and funding
- Receive support to scale and extend their reach
- Join events where successful entrepreneurs share insights

Practicals: Preparing you for the working world

A two-week module has been integrated into each period to help you gain the hands-on skills you will need to succeed in the real world.

During these modules you learn to put into practice all your classroom teachings through simulations, real-life business situations, and projects from partnering companies.

Beyond classroom learning, the practicals allow you to showcase your skills and receive feedback from real organisations to give you a head start in your career.

What you can expect from a practical: Learning, strengthening and application

Learning new skills

Lectures

- Learn to use new tools
- Review what you have learned from core courses
- Reinforce your skills

Business knowledge

Company presentation and case

- Gather industry knowledge
- Understand how real companies work
- Network with company representatives

Your turn to try

Group case, simulation and presentation

- Build your teamwork capability
- Practise your problem-solving skills
- Refine

Your journey starts here

Admissions process

All elements of your application will be thoroughly reviewed by the Admissions Team. The selection process is on a rolling basis that will take up to seven weeks from the date of completed application submission.

Admissions criteria

The MIM Admissions Team is looking for candidates with intellectual curiosity, personal qualities to contribute to the many INSEAD activities and very strong international motivation.

Ability to contribute

How you can contribute to the INSEAD experience during and after the programme.

Academic performance and ability

Good academic record and GMAT Exam or GRE results.

International motivation

Adaptability and flexibility in a multicultural environment.

Application rounds

Your application will be evaluated as soon as it is complete, including your two recommendation letters, irrespective of when you apply. Final decisions are released at any point of time within seven weeks of you submitting a complete application.

Round	Aug 2026 intake
1	07 Oct 2025
2	09 Dec 2025
3	24 Feb 2026
Final	28 Apr 2026

Financing and scholarships

Tuition fees

Tuition fees* for the current intake are as follows:

€55,500

The fees are payable by instalments.

*Fees are subject to change.

Please refer to the [INSEAD website](#) for the latest updates.

Scholarships

The INSEAD MIM yields a lifetime of dividends, both professionally and personally. Pursuing a MIM programme is an investment that needs to be carefully considered and the MIM Financial Aid Office offers advice and support in planning your financing for the INSEAD MIM programme.

INSEAD offers the following types of scholarships:

Achievement scholarships

Focuses on excellence in academics and personal achievements.

Diversity scholarships

Granted to candidates who bring diversity to the class in terms of background, personal experience and profile.

All admitted candidates will automatically be considered for the Diversity and Achievement scholarships (no separate application required). Successful candidates will be notified after their admission to the programme if they have been awarded a scholarship.

The MIM application process is a trailer of the course; you demonstrate your academic and professional achievements, plus your contributions in experience, perspective, and diversity. It was a unique experience."

Olivia Roccavilla

Italian
Manufacturing Control Analyst
MIM'24

I was surprised by how many different types of scholarships INSEAD offers. I recommend exploring all the online resources—and even better, talking to people who've been through it."
