Receive the guidance of a dedicated career coach to help you work through your career journey. Engage actively with recruiters across sectors to build the first step of your career.

Group work

Engage with a diverse group of talented individuals who bring their unique perspectives to complement yours.

Community

Build lifelong connections through the support of a vibrant, innovative and inclusive community.

Introducing INSEAD's new Postgraduate Degree in Finance

Shaping the financial leaders of tomorrow

The inaugural INSEAD Postgraduate Degree in Finance is designed for recent graduates and early-career professionals (0–2 years' experience) seeking to launch or accelerate careers in global finance. The programme combines rigorous technical training, AI-enhanced learning, and practitioner-led practicals that mirror real-world decision-making, while building the interpersonal, teamwork and problem-solving skills employers demand.

Students can tailor their experience through three specialised tracks – Wealth management, Corporate finance & private markets or an open track – preparing them to lead, innovate and thrive in today's rapidly evolving financial markets.

INSEAD brings together people, cultures and ideas to develop responsible leaders who transform business and society.

Your journey starts here

Admissions process

All elements of your application will be thoroughly reviewed by the Admissions Team. The selection process is on a rolling basis that will take up to eight weeks from the date of completed application submission.

Admissions criteria

The MIM Admissions Team is looking for candidates with intellectual curiosity, personal qualities to contribute to the many INSEAD activities and very strong international motivation.

Ability to contribute

The capacity to bring something distinctive and meaningful to the MIM experience, both during and after the programme.

Academic performance

A sound academic foundation and a GMAT/ GRE score are required, along with an undergraduate degree (bachelor's degree or equivalent).

International motivation

Adaptability and flexibility in multicultural environments are essential.

Work experience

Full-time professional experience is not required, although some exposure to a business context is valued.

Application rounds

Your application will be evaluated as soon as it is complete, including your two recommendation letters, irrespective of when you apply. Final decisions are released at any point of time within eight weeks of you submitting a complete application.

Round	Aug 2026 intake
1	07 Oct 2025
2	09 Dec 2025
3	24 Feb 2026
Final	28 Apr 2026

Financing and scholarships

Tuition fees

€57,870

The fees are payable by instalments.

Please refer to the [INSEAD website](#) for the latest updates.

Scholarships

The INSEAD MIM offers lifelong professional and personal returns. As pursuing a MIM is a significant investment, the MIM Financial Aid Office provides guidance and support in planning your financing.

INSEAD offers two types of scholarships:

Achievement scholarships

Awarded for excellence in academics and personal achievements.

Diversity scholarships

Granted to candidates who add diversity through their background, experience, and profile.

- All admitted candidates are automatically considered for both Diversity and Achievement scholarships – no separate application is required.
- Successful applicants will be informed of their award after admission.

Admitted students are also eligible to apply for tuition financing from the following:

Lendwise
